LETTER OF AUTHORIZATION

We, CRRC Dalian Co., Ltd., founded in 1899, is a key large-scale state enterprise of China. Among all subsidiaries of CRRC Group, CRRC Dalian is the only company can independently design and manufacture diesel locomotives, electric locomotives, medium and high-speed diesel engines and urban transit vehicles, high-speed EMU and maglev. As one of the most renowned and technology advanced rolling stock manufacturer in China, we have supplied more than 50% of the whole China railway locomotive fleet and 1/4 of China metro and subway market share.

As the first Chinese company exporting mainline locomotives to international market since 1993, CRRC Dalian has exported over 900 locomotives to 32 countries / regions all over the world. Following up Turkish market for over 10 years, we are confident our products are the perfect ones meeting Turkish railway requirement and capable to provide satisfactory and reliable service to Turkish Railway.

We, CRRC Dalian Co., Ltd. hereby make a commitment that Aykal Insaat Ticaret ve Sanayi Ltd.Sti. on our behalf to negotiate with you, on the project of supplying Diesel Electric Locomotive, Electric Mainline Locomotive and Dual Power Locomotive, being valid from one year since the date of signature of the letter.

Boke
